Domestic Fee Schedule 2023

Payment Terms

It is the intention of the School Council to set fees once each year, however, the School reserves the right to revise fees at any time. The School charges fees per term (Year 12 students are billed across three terms) and issues termly Fee Statements.

Accounts must be paid in full on or before the first day of each Term.

The School cannot provide education to students where fees remain unpaid. It is a policy of the School that a student may not take her/his place at the School at the start of a Term where fees for a previous Term remain unpaid.

Due Dates

Term 1: 23 January 2023

Term 2: 18 April 2023

Term 3: 11 July 2023

Term 4: 3 October 2023

An agreement to pay by instalments may be entered into through Edstart, visit edstart.com.au/staidans for further information including applicable surcharges.

Optional activities will not be available to students if parent accounts are not paid in full. Any funds paid towards these activities will be directed to parent accounts in this situation. Optional activities include exchange programs, overseas tours, co-curricular sporting camps/tours, and private music or speech and drama lessons.

Parents are reminded that any fee concessions received are dependent upon the fees being paid by the due date.

Concessions will be withdrawn if this condition is not met. Concessions include scholarships and bursaries.
